

# Knights of Columbus Corpus Christi Assembly 2810

SEPTEMBER 2019

## FAITHFUL NAVIGATOR REPORT – Bryant Perszyk

Brother Sir Knights:

It was with great pleasure that we officially installed our Assembly officers on 22 Aug after Father Manny celebrated a mass in our honor. Everyone enjoyed refreshments after the installation that was conducted by our District Deputy Kevin Ryan with the help of District Warden EY Walter. **(photo, page 3)**

I recently had the opportunity to participate with the Assembly coffee and donut team at the VA clinic in Daytona Beach. I must say it is truly a rewarding experience to serve these men and women that are coming for medical treatment. Many are just happy to sit and talk since often they are alone. All are appreciative of our presence. I encourage all Sir Knights to at least try a turn, you won't be sorry. We currently have four teams that take a turn every four months and spend about 3 to 3.5 hours at the clinic. We serve the second Tuesday of every month. I want to remind each team to communicate in advance so everyone knows who is going to show up. Team captain call your team members a few days in advance to remind everyone of their commitment. Team members call your captain in advance if you know you can't make it. The schedule is on the web site <https://assembly2810.org/calendar/va-clinic-team-schedule/>.

As you may have seen in the Santa Maria del Mar bulletin we are starting the memorial wall in the gathering area in earnest. Tony Gasparino will be collecting the pictures of military and first responders from the parish. This includes family members and they can

be grouped by family. The assembly will also help with the funding for this endeavor.

I had the honor, along with PFN Tony Gasparino, of accepting an award for the assembly during the 4th degree exemplification in Jacksonville. The "To Be a Patriot" award was presented by Vice Supreme Master Robert Anderson, leader of

the Desoto Province. Established in 1985 the "To Be A Patriot" Award annually recognizes the three best patriotic programs conducted by 4<sup>th</sup> Degree assemblies each fraternal year. Entries are judged at the district, provincial and international levels.

The other two winners were from Arizona and Tennessee.

The write-up in the Supreme Knight's Award Session brochure was as follows: Assembly 2810 holds an annual fundraiser benefitting the Military Order of the Purple Heart (MOPH). Over the past eight years, Assembly 2810 has raised over \$65,000 for the MOPH. This year, they held a dinner dance which raised over \$5,000 for the MOPH.

This is a true total assembly award since it takes into account the number of participating Sir Knights and the percentage of Knights participating.

### COLOR CORP COMMANDERS REPORT

Our Assembly 2810 Color Corp attended the following call outs since my last report:

**Bro. Joseph Sendelback** – Funeral Mass (St. Mary's Church, Korona)

**4<sup>th</sup> Degree Exemplification** – Catholic Center for Diocese of St. Augustine (Jacksonville)

I would like to thank all Sir Knights that attend call-outs and I extend an invitation to all Sir Knights to please join us in the Color Corp. Let me know, so I can add you to the call out roster!

- Frank Consentino, Color Corp Commander

### **Note from Dennis Stoddard, Supreme Master:**

*Tuxedo, baldric and gloves are not authorized as a call out uniform and may not participate with Honor Guard/Color Corp uniformed members in a procession. The misunderstanding is that a tux with social baldric may be worn to exemplifications and social events. It is never worn along with the HG/CC call out. If members wish to honor a brother at a funeral service they certainly can wear a tux with social baldric, minus the gloves and sword, but again, they are not part of an Honor Guard.*

## INSURANCE REPORT

### Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with

their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
