FAITHFUL NAVIGATOR REPORT

Since this is my first newsletter article, I thought I'd give you a little of my background. I was born in Hartford, Ct. and have lived in Miami,

Florida, Winter Haven, Florida, Spokane, Washington, Orlando, FL, and Lexington, KY before I retired to Palm Coast in 2018.

I joined the Knights of Columbus Council #14130 in Lexington, KY September 7, 2014. At the time I had no idea what the Knights of Columbus stood for and I joined because a friend pestered me into joining. It was one of the best decisions I made in my Catholic life. I'm a believer in charity. We need to help those who can't help themselves. I believe in unity and fraternity. We can't do it ourselves.

As for the Fourth Degree, I joined July 23, 2016. My experience at the Lexington Assembly was not very positive. Very few Sir Knights attended our monthly meetings. There was a lack of leadership. To my surprise when I attended our Assembly meeting at Santa Maria del Mar, I was very impressed with the attendance and the leadership. At the first meeting, I happened to sit next to Color

Corp Commander Frank Consentino. Under no pressure, Frank set the seed for me to join the Color Corp. This was another great decision on my part. It is an honor to represent our Assembly at the 911 Remembrance Ceremonies, Memorial Day Events, Veteran's Day Events, and at fellow Brothers' and Sir Knights' Funerals.

Finally, Past Faithful Navigator Tony Gasparino asked if anyone would like to become the Faithful Pilot under Faithful Navigator Bryant Perszyk. I said yes, and little did I know I would become the Faithful Navigator for the 2021-2022 year. I recommend that each of you consider saying yes to an officer position. It's very rewarding.

I'd like to thank all of you for having the confidence to elect me to this worthy position. I'd like to thank Past Faithful Navigator Guy De Luca for preparing me for this role. I look forward to working with the newly elected officers.

Please feel free to offer suggestion and ideas so together we can make this a great year.

Vivat Jesus

Happy Fourth of July

On **July 4th**, the Continental Congress formally adopted the Declaration of Independence, which had been written largely by Jefferson. Though the vote for actual independence **took place on July 2nd**, from then on the **4th** became the day that was celebrated as the birth of American independence. Dec 16, 2009

**INSURANCE AGENT REPORT****WHY A KNIGHTS OF COLUMBUS ANNUITY MIGHT BE RIGHT FOR YOU**

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like a TRADITIONAL IRA. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

An annuity can be a great product in the right situation, especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few advantages offered by the Knights of Columbus:

- Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
- Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2021, rated A+ Superior by A. M. Best)
- You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.
- Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.
- Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.
- You can enjoy an income that you (and if you wish, your wife) can never outline!

But let's be fair; an annuity is not the answer every time. It's not a short-term product. It's not designed to be a "put and take" account where you stick some money in and then take it out a short time later. There is a reducing early withdrawal penalty over the first seven years if you take out more than the 10% free withdrawal (available after the first year). That feature, in all annuities, not just the KofC, is to encourage younger people to leave the money alone until at least retirement age. For those that are older, it is to encourage them to focus on the longevity of retirement.

So, although there are situations where an annuity is not the proper product, there are many where it is...And we haven't even talked about triple compounding, protection from creditors and other features.

How do you know if an annuity is right for you? Meet with me and let's look at your goals. It might be the perfect fit.

Where do you keep your safe money?

FOURTH DEGREE COLOR CORP

Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.

If you are over 18 years of age; a citizen of the country in which you reside; a practical Catholic in union with the Holy See; and you are a Third Degree KofC member in good standing, consider joining the ranks of the Patriotic Degree.
