The December meeting was great. Our Sir Knights enjoyed some ribs and sausage cooked by the St. Mary's Sir Knight Team. Thanks, gentlemen!

Unfortunately we had to cancel the Past Faithful Navigator dinner due to current circumstances. I want to thank Faithful Captain Dan Nagy for all the work he did to set up the dinner.

Trustee Sir Knight Bryant Perszyk is taking the lead in our officer election process. If you are interested in becoming an officer, please contact Bryant ASAP.

Dues are due this month, please watch for your invoice in the mail and send Jim a check or pay at the next meeting.

Before you file your 2021 Federal Tax Return, talk to me about the advantages of a Knights of Columbus Traditional or ROTH IRA. Not eligible for an IRA? Let's talk about how a K of C IRA rollover, ROTH IRA conversion, or a non-qualified annuity may be suitable for your financial situation.

The Knights of Columbus offers you the opportunity to earn a guaranteed rate of return through its annuity program. Our annuities offer a guaranteed minimum interest rate for life. Current interest rates are adjusted to reflect current market conditions and may be more, but never less, than the guaranteed minimum interest rate.

For those with an interest in investing in the equity markets, the Knights of Columbus began offering mutual funds in 2015. Members and non-members alike now have the benefit of investing in funds that follow the guidelines of the United States Conference of Catholic Bishops (USCCB). The Knights of Columbus have seen multiple pandemics, world wars, euphoric stock market bubbles, and painful equity market crashes. Knights of Columbus Asset Advisors (KoCAA) and its predecessor organization – a division of Knights of Columbus – has invested through all of these challenges. As a result of administrative success and strong historical investment results, our investment professionals have earned the Knights of Columbus a Superior rating for financial strength from independent rating agencies Standard & Poor's every year since 1991 (currently AA+).

Our \$25 billion+ investment portfolio is diversified across fixed income (bond), equity (stock), and alternative investments and is designed to meet a wide variety of short-term and long-term investment objectives. Investors with KoCAA gain access to the same time-tested investment team and fundamental strategies used by the Knights of Columbus to invest their own multi-billion portfolio.

For any of your life insurance, annuity, long-term care insurance, or disability income needs, schedule an appointment today so we can have a discussion about how the Knights of Columbus can cover your needs.

FOURTH DEGREE COLOR CORP

Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.
