## Knights of Columbus Corpus Christi Assembly 2810

### FAITHFUL NAVIGATOR REPORT

#### Worthy Brothers

During each fiscal year our assembly donates monies to various organizations. We mainly raise that money through our dues. It is important to pay your dues to keep you current with the assembly. You can send your dues to our comptroller Jim Rossow or bring to our next assembly meeting in May.

We are in the process of selecting officers for the next fiscal year. It looks like we may have all positions filled, but if you are interested in becoming an officer, we will be accepting nominations at the next meeting in May.

I encourage new members to get involved with your assembly. There are several upcoming events planned for the balance of this year. We will be feeding veterans from Gratitude America on May 6 th and on two more occasions over the next several months. We will have a family picnic for our assembly on Sunday, June 6 th at Holland Park in Palm Coast. This will be free to the members and their family. The meal will include hamburgers, hot dogs, sides and drinks. We will be accepting donations at this event. More information to follow next month.

And the last big event is the Tony Gasparino “Less we Forget” awards. This event will be held in November as in previous years. This will be sponsored by the church and our assembly. Father has chosen a committee which is still in the planning stages. We will have several candidates from our three councils, assembly, military, and private sector. More information to follow over the next several months.

Our next meeting will be on May 16 th at 5:00 pm at Santa Maria Del Mar church.

Vivat Jesus

## INSURANCE AGENT REPORT

May

### “Why should I become an Insurance Member?”

On occasion, a brother Knight will ask me this question. The obvious answer, of course, is because of your insurance need! Insurance need aside, what are some of the other advantages to being an insurance member?

Let me name a couple:

Your financial participation helps fund the Order's charitable activities.

You retain the right to purchase additional KofC products, regardless of membership status.

Your spouse has a “Spousal Right to Purchase” any KofC annuity or insurance product, for which she qualifies, for one year after your death.

Our Order is among the highest rated life insurers in North America. AM Best has rated the Knights of Columbus with a “Superior” rating for over 40 consecutive years. Our current rating of “A+, Superior” is a testament to our track record for excellence and security. Standard and Poor's recently listed the Knights of Columbus as one of the six strongest life insurance companies in North America – putting us at the very top of the industry.

Since the year 2000, insurance in force has grown from \$40 billion to **\$116 billion** and our assets have increased from \$8.5 billion to over **\$28 billion**. During these years we have paid out more than **\$5.5 billion** in dividends and more than **\$4.4 billion** in death benefits. That's nearly \$10 billion in dividends and benefits.

Let's talk soon about how “Insurance for Brother Knights by Brother Knights” can bring peace of mind to you and your family.

## Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.
