FAITHFUL NAVIGATOR REPORT

Assembly 2810 and FN Report August 2023

The officer's installation held on August 12th at 5:30 was completed with Father Manny and District Deputy Paul Gloeker presided and we thank them for that service. Following the installation we gathered for a meal at Olive Garden with our wives, all were welcome to join us in good food and fellowship as we begin this journey of moving our assembly forward.

Thank you to all of this year's officers. By your stepping up we will have a successful year. We will also have an exemplification on the 26th of August at Assumption CC in Jacksonville, we welcome our six new Sir Knights SN Jim Brogan, Charles Gambaro, SN David Elias, SK Charles Kidd, SN Daniel Coyne, SN Charles Gartman. If you are a sponsor this is a very good opportunity for you to continue your mentoring of new Knights and bring new Knights to the fourth order. Another event fast approaching is the cookout in September at Whispering Meadows, more to come as the date gets closer.

A job well done to the Color Corps, we have said farewell to three members with a very strong showing of our members, I know the families appreciate all that goes into the ceremony, it's sometimes hard to hear the roll call but we must remember, that a brother has finished the race he has won his reward ours is yet to come God willing.

Still looking for something to get involved with, why not check out the Veterans coffee and donuts program. It's only once a month for about four hours and this small effort on our part does so much good, call one of the three team captains to see where you can fit in. See you at the meeting. God Bless

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.
