FAITHFUL NAVIGATOR REPORT

Good Morning Brothers

November has begun as a very busy month, and it isn't letting up. (No rest for the wicked, or something like that.) The Veterans Day celebration held at SMdM was moving, I have talked to a few of the recipients of the Least We Forget award and it has been a rewarding experience for me personally to be thanked for the program and for them to share their stories.

On the twenty-fifth of November, we will welcome four new Sir Knights at an exemplification in Winter Garden Florida, this is a new venue a bit closer to home but not by much. Congratulations and welcome brother Sir Knights. Sadly, we said farewell to a brother, Sir Knight E.Y. Walter. In the memorial we heard of all that E.Y. has accomplished for the parish, he truly was the mayor of SMdM. At the end of Mass Father Richard's rendition of Avia Maria brought tears to groan men's eyes. (mine included)

The wreath Across America is planned for December 16th at 12:00 at Saint Mary Cemetery, I hope to see a lot of brothers and family there. This year a new veteran grave will be identified; this was an overgrown site that was over looked in years previous the veteran was a World War One veteran. While at the cemetery I hope you recognize the work that has been done more still needs to be done. Thank you to the cemetery committee for a lot of hard work.

As we continue to prepare for our Chaplain's Dinner Dance, the menu is set, the location confirmed the entertainment is being arranged the tickets have been ordered. More is still to be done, stay tuned for a very good time.

Vivat Jesus

INSURANCE AGENT REPORT

December

Insurance Check-Up for 2023

Where did 2023 go? It seems like it was summer yesterday and yet we just celebrated the Thanksgiving holiday.

I hope you and your family had a great 2023. Now, we are all preparing to 'ring in' 2024.

Hopefully, you've established a few goals for the upcoming year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this. Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. It may not make sense at first, but I'm sure you have heard stories of the success this simple task can bring. Whether your goal is to exercise more, give more to charity, read more or watch less television, you're more likely to accomplish it if you write it down.

Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I would love to be the first you sit with. Let's schedule some time to meet together, and I, your professional Knights of Columbus insurance agent, will provide an "insurance check-up" (at no cost!) that will evaluate any gaps in your family's life insurance protection. Now might be the perfect time to fill those gaps, not later. Keep in mind that unlike many other products, you don't just need money to obtain life insurance; you also need good health, and no one knows when your health could change.

Did I mention my check-up is free of charge? When was the last time you received something for free that could provide value to you and your family for generations? Call me today.

Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of
