**Knights of Columbus
Corpus Christi
Assembly 2810**

Faithful Navigator Report

To the Sir Knights of Corpus Christi Assembly 2810,

Once more, I come to you with my words of encouragement. First, our August winner of the 50/50 Split Raffle Club was SK Joseph Celeberti, who took home \$580.00. We congratulate him and encourage you all to participate. There is still space available for the following two drawings for just \$40.00.

Additionally, our Installation of Officers for the Assembly was a pleasant event, celebrated by our very own District Marshall Danny McIntire, who was accompanied by his wife Carol. After we went to Olive Garden, where we had a great meal.

On another note, our first fundraiser, titled "San Juan Nights," features a full Hispanic menu prepared by our very own SK John Cospito, SK Joe Celiberti, and their team. Accompanied by a live Latin show by "Cesar Romero and his Jazzy Guitar", and DJ Music Master, Tom Witherspoon, as well, on the 4th of October. Please reach out to SK Bob Conochalla or me for tickets. This event promises to be a fun night, so don't miss it.

Also, I must make a plea to all of you to take advantage of any member of the 3rd Degree that you may know who wants to become a 4th Degree; this is the occasion. The 4th Degree exemplification will take place in our "Backyard" in St Augustine, San Sebastian Catholic Church on Route 16 on the 13th of September. Please reach out to SK Gregg Wilson or me, and we will make this happen.

Next month, our meeting will be a short version because our Past Faithful Navigator wants to "break bread" with all of us, and we will honor him for a job well done. Please come all and invite your spouses.

Last but not least, we have the 9/11 ceremony at Veterans Park in Flagler Beach once more. Our brother, SK Kevin Ryan, will take charge and make this a grand event. The ceremony gathering will be at 8:00 am, followed by a 9:30 am blue mass. Please come all and wear your Council shirts so all can see the Knights of Columbus.

I am deeply humbled when I think of the things in stored for us this year. Please always remember to make every effort to recruit members for our 4th Degree Assembly.

I sincerely appreciate your trust and confidence in me, and I pledge to lead with integrity, wisdom, and devotion. Together, like Brother Knights, we will continue to strengthen our unity, support our community, and uphold the mission of our esteemed order.

Our next meeting is scheduled for September 16, featuring an Officer's meeting at 3:45 p.m., followed by a short meeting, and then honoring our Past Faithful Navigator, SK Gregg Wilson. I look forward to working alongside you as we navigate the path ahead with faith and purpose.

September

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
