**Our Guarantees Set Us Apart**

Knights of Columbus life insurance offers something precious few other financial products can – guarantees. As long as you pay your premiums, the policy proceeds will be there for your beneficiaries should something happen to you. That's peace of mind, and that's what we offer with every product in our portfolio.

We guarantee:

- the cash value in your whole life policies will be there
- the rates on your term insurance
- the rate and your principal in our retirement annuities

On top of those product guarantees, I guarantee that I will offer professional, high-quality service that you would expect from our organization.

Our Order is among the highest rated life insurers in North America. AM Best has rated the Knights of Columbus with their "Superior" rating for over 40 consecutive years. Our current rating of "A+, Superior" is a testament to our track record for excellence and security. Standard and Poor's recently listed the Knights of Columbus as one of the six strongest life insurance companies in North America – putting us at the very top of the industry.

I would suggest that a principal reason that we were able to achieve those accolades is because we remain steadfastly committed to the vision of Venerable Father Michael J. McGivney by providing life insurance by brother Knights for brother Knights.

Let's talk soon to discuss how our products can bring that peace of mind to you and your family.

FOURTH DEGREE COLOR CORP

Active Color Corp Members

Purpose of the Color Corps

When knighthood was in flower, knights carried the sword to defend their God, their Church, their country and their fellow man according to the code of chivalry. Today, Sir Knights wear regalia and carry the sword to honor Christ and His apostles, especially on religious and civic occasions. Hence, the primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.
